

My name is Jeremy Geartz, and I'm running for a seat on the North Tonawanda School Board.

I was born and raised in North Tonawanda. I am a graduate of North Tonawanda High School. I am a veteran of the U.S. Army. I am the proud father of Senior McCartney, 8th grader Avery, and 5th grader Haley. I love seeing how involved my girls have become with their school activities, and relationships they have developed with teachers and peers. I am currently the president of the girls basketball boosters, and head of the girls volleyball chowder dads.

I am running to ensure that during unprecedented times, the students, teachers, and citizens of North Tonawanda have someone that is on their side while making decisions for today and beyond.

I am running to be a voice for all, while maintaining fiscal and social responsibility.

**I am a Lumberjack!**
