<u>A Million Words Or Less...</u>

Your son/daughter is your most prized possession. From the hours of 7:15 a.m. until 2:20 p.m., you leave them in the care of the NTMS faculty. In order for us to form a strong bond with our students, we need a little assistance from you. Please share any information you feel comfortable, about your child that could help us understand them a little better. For example, they may have a twin or sibling in the building, play an organized sport, be involved in girl/boy scouts, youth group at church, like to read, etc. Share as MUCH or as little as you would like. We can keep the information to ourselves (the team teachers) or share it with the counselor or social worker, whatever your preference. You can write your "million words" on this sheet, attach a separate sheet of paper, or email the team leader at jsturgeon@ntschools.org. We look forward to reading about your child. Thank you in advance for participating in our "Parental Homework Assignment".
