

Try Together

Start

Count 7 red squares with your partner. Put them in a bag. Take turns.

Try

Take some squares from the bag.

Clap that number of times.

Ask your partner to clap the missing number.

Check by counting the squares left in the bag.

Put the squares back in the bag.

Repeat until each player gets 4 turns.

Count your squares here.

Try Again

Begin again. This time, put fewer than 7 squares in the bag. Talk about how you find the missing part.
