

Sport Power Point Project

(Equivalent to 5 classes)

Due Date: _____

Received: _____

Develop an informational power point presentation on a sport relating to the unit we are covering in class.

Things to include in your presentation:

- Cover slide- your name, class period, sport of presentation
- Slide 2-3: History/origin of sport
- Slide 4-6: Rules of the sport
- Slide 7: Faults, penalties, infractions of the game
- Slide 8: Key terms and definitions
- Slide 9: Diagram of sport playing field area
- Slide 10: Equipment needed
- Slide 11: 5 facts about the sport
- Slide 12: A famous athlete associated with this sport and information about them
- Slide 13: References used- Use reliable resources

Requirements:

- All data must be typed in your own words
- Make your presentation “look pretty”
- Print off this cover page and attached it to the front of your power point.
- Print off your final assignment. Make sure to print off 3 slides per page!
- Turn in your assignment by the due date- late assignments will only be accepted up to 1 week past the original due date. Anything after that will not be accepted. No Exceptions!
