

Hello my name is Ryan Howze,

I'm new to the area but I already am very passionate about this city. I have a 10 year old and a 1.5 year old that are my world. I want the life they have growing up and going school to be the best it can be.

In fact I want that for your kids too!

I graduated from Buffalo State College in 2013 with a bachelor degree in Sociology and Communications.

My day job is a CDL driver for PepsiCo and as a Musician and Dj you may find me at your favorite places performing or even a friends wedding this summer.

I've played music my whole life since I was in elementary school and it's very important to me. I have a huge focus on the arts because to me it was an incredible opportunity I had in school.

I was also picked on, bullied, and harassed pretty regularly. (I'm sure a lot of band kids can relate) so the culture of the the school is incredibly important. I want our children to feel safe and feel like they have a school board and network of adults they can look up to.

I'd like an opportunity to be an advocate for you and your children I hope you give me that chance

- Ryan
