

First Grade Spelling words for Reading Street Program

Please check your child's backpack for pages to support learning. We will work in class on weekly spelling words and sight words. These sheets will then go home and can be helpful in supporting learning for the children. Every week we have a spelling test, which includes words from both lists. These are the spelling words for the weeks and units for the whole year. The other sheet (see attached High Frequency/Tested Vocabulary) has the vocabulary or sight words for the year.

Thank you for all you do at home to support learning!
